

GRAPPA DI VERMENTINO

Alcoholic strength

42% vol.

Vine of origin

Vermentino

Area of production of the raw material

Western Liguria

Serving temperature

15 / 18°C

Recommended glass

Tulip 60ml

Taste

Soft and well-balanced.

Notes

Fine bouquet of floral and fruity sensations.

Mediterranean herbs, sage and rosemary.

Peculiarities

It is the result of a rigorous selection of Vermentino grapes combined with the knowledge of the master distiller who by using both the continuous steam distiller and the traditional intermittent water-bath distiller gives to this grappa a personal touch highlighting aroma and values of the original grapes.
